

FREE Distance Reiki /Healing Energy Sessions

As promised, over the past few weeks I have been sending distance Reiki / healing energy daily to anyone who would like to receive it. Some requested it directly. Others have just expressed their own personal intention to receive it.

Since then, I have heard that some of you would also like your own dedicated session. In response, **I am happy to offer individual half-hour distance Reiki / healing energy sessions** as long as Resilience needs to remain closed. These sessions are free as my way of giving back during these difficult times.

WHAT WILL MY DISTANCE SESSION BE LIKE?

During your half-hour session, I suggest that you sit or recline, whichever is more comfortable for you, in a quiet area of your home where you won't be disturbed.

I will be in my healing space sending Reiki / healing energy to you just as if you were physically present. You may feel the same kind of sensations (heat, cool, tingling ...) that you feel in-person as the energy is working.

Because Reiki / healing energy is not bound by space or time, distance healing can be every bit as effective as what you receive in-person.

HOW DO I SCHEDULE A SESSION?

Easy!

Just click the button below.

While Resilience is closed, I hope you find value in distance Reiki / healing energy!
