

Resilience

Healing Energy by Sue Aumer

Thank you!

Resilience: Healing Energy by Sue Aumer is about empowering the very best in us - physically, emotionally, psychologically and spiritually - to support us through life's challenges.

With this goal in mind, *Resilience* offers Reiki / healing energy sessions which

- help accelerate healing on multiple levels,
- reduce pain and discomfort,
- facilitate deep relaxation and quality sleep, and
- improve well-being,

... essentially helping to optimize all aspects of health so we can live our lives more fully.

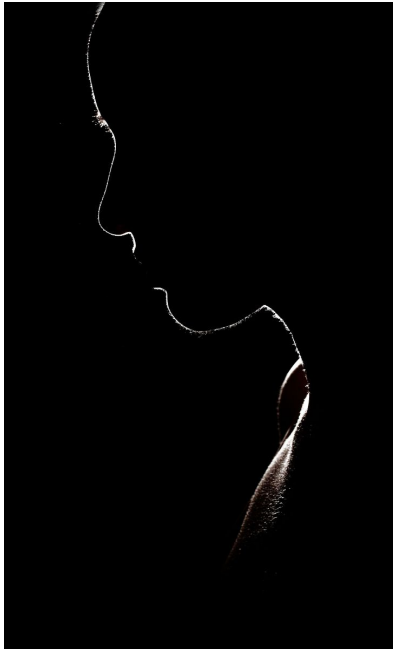

I love doing this work and seeing the results! So during this season of giving thanks, I want to show my appreciation for your business and your support in a tangible way.

Now through December, **for each two gift certificates of the same value that you purchase, you will receive a third certificate of the same value at no cost.**

If you have loved ones who could use healing support - who are hurting emotionally or physically, or who could just use a boost of positive energy - this is the perfect opportunity to get each of them (and maybe yourself, too!) the gift of Reiki / healing energy with a Resilience gift certificate.

Gift certificates are easy to purchase (available online or in person), easy to give (each comes with a matching white envelope for gifting) and easy to redeem (just reference the certificate number when booking). And through December, they are an even better value!
